Equipment 0199-Other Raw Materials, 030903- Electrical heating elements 082699- Other off-road mobile equipment 030904- Carbon brushes, slip rings, 0827-On-road Mobile Equipment 061801- Leased/Rented Locomotives 030905- Fuses 019999- Other Raw Materials, Semi-finished / Finished Prod 061802- Leased/Rented Wagons (railcars) 082701- Mixer trucks 0619-Leased/Rented Boat Equipment 082702- Aggregate trucks (tipper) 0310-Electric Motors & Actuators 082703- Tractors 061901- Leased/Rented Barges 082704- Silo trailer 031001- Motors, Direct Current 061902- Leased/Rented Ship 082705- Mixer trailer 031002- Motors, Slip Ring 0620-Road Transportation services 082706- Concrete Pumps 031003- Motors, Squirrel Cage (large size >250kW) 082799- Other on-road mobile equipment 031004- Motors, Squirrel Cage (small <= 250kW) 062001- Road transport, siloware 0828-Company cars 031005- Drum motors 062002- Road transport, bulk e.g. aggregate, clinker, coal, sand 031006- Motors with integrated 082801- Vehicle (Owned) 062003- Road transport, liquid e.g. fuels 031007- Motors, Synchronous 082802- Pick-up trucks 062004- Road transport, packed goods (e.g.pallet, containers) 031008- Motors, Geared 0829-Railway 031009- Motors for dampers, actuators 062005- Concrete distribution (RMX) 031010- Electrical Vibrators 062006- Non-hazardous Material 082901- Locomotives 031011- Large Generators for Power Plants 082902- Wagons (railcars) 0621-Rail Transportation services 0311-Pneumatic 0830-Shipping 062101- Rail transport, siloware (powder, pulverized) 031101- Cylinders, Pneumatic 083001- Barges 062102- Rail transport, bulk e.g. aggregate, clinker, coal, sand 031102- Pneumatic Equipment 083002- Ship 031103- Pneumatic Tube Mail 0831-Power generation assets 031104- Accessories for pneumatic equipment 062104- Rail transport, packed goods 0312-Hydraulic 083101- Co-generation equipment 0622-Inland water Transportation services 083102- Turnkey power plant 031201- Cylinders, Hydraulic 0832-Wet Processing 062201- Inland water transport, siloware — 031202- Hydraulic Equipment 031203- Accessories for hydraulic equipment 083201- Scrubber barrels 062202- Inland water transport, bulk e.g. 0314-Spare & wear parts for Off-road Mobile Equipment aggregate, clinker, coal 083202- Logwashers 062203- Inland water transport, liquid e.g. fuels 083203- Hydrocyclones 062204- Inland water transport, packed goods e.g.pallet, containers 083204- Classifier tanks, Hydrosizers and Screw classifiers 031401- Spare & wear parts for Wheel loaders 083205- Thickener & settling tanks 0623-Sea Transportation services 031402- Spare & wear parts for Haul 0899-Other Plant, Equipment And 031403- Spare & wear parts for Excavators 062301- Sea transport, siloware (powder, pulverized) 031404- Spare & wear parts for Cranes 062302- Sea transport, bulk e.g. aggregate, clinker, coal, sand 089999- Other Plant, Equipment And Infrastructure 031405- Spare & wear parts for Drill rig 062303- Sea transport, liquid e.g. fuels — 031406- Spare & wear parts for Skid steer loader 062304- Sea transport, packed goods 031407- Spare & wear parts for Forklifts (e.g.pallet, containers) 0624-Hazardous Material Transportation services (AFR) 031409- Spare & wear parts for Telehandler 031410- Spare & wear parts for Dozer 062401- Hazardous materials in tank vehicles O31411- Spare & wear parts for Paver & compactors 031412- Spare & wear parts for Mining 062402- Hazardous materials in suction 062403- Hazardous materials in bulk 0315-Spare & wear parts for On-road 062404- Hazardous materials in rental containers for liq. substances 031501- Spare & wear parts for Mixer trucks 062405- Hazard. matrl. in rental 031502- Spare & wear parts for Aggregate trucks (tipper) 0625-Logistics and other Transportation services 031503- Spare & wear parts for Tractors 031504- Spare & wear parts for Silo trailer 062501- Handling services 031505- Spare & wear parts for Mixer trailer 062502- Intermodal cargo transport — 031506- Spare & wear parts for Concrete Pumps 062503- Warehousing services 031507- Spare & wear parts for Other 062504- Air cargo transport 062505- Oversized/Overweight transports 0316-Spare & wear parts for Other Mobile Equipment 0626-Value-added Logistics services 031602- Spare & wear parts for railway 062601- Outsourced logistics (4PL) 031603- Spare & wear parts for ships/barges 062603- Transport arranging services 0629-Mining subcontracted services 031701- Common spare &wear parts for On-road Mobile Equipment 062901- Drilling Services Mining and other Off-road Mobile Equipment 062903- Blasting Associated Services 062904- Rock on Ground Services 062905- Full Quarry operation.(Dril 062906- Partial Quarry operation.(Dril blast (excluding explosive supply),, 2nd breaking, Load, Haul, re-handle & 062907- Partial Quarry operation. (Load, Haul, re-handle & ancillary service) 062908- Earthmoving/Stripping,
Excavate, Load, Haul, re-handle & ancillary) for Stripping 062909- Earthmoving/Stripping, Excavate, Load, Haul, re-handle & ancillary) for Cell Management

> 062910- Earthmoving/Stripping,
> Excavate, Load, Haul, re-handle & ancillary) for re-habilitation/restorat 062911- In-pit crushing, conveying &

> 062912- In-pit washing, classifying & recycling activities 062913- Survey & Measurement
